Model Number	VP3420
Part Number	VHA1231-0106F
UPC Code	 715262034204 7 15262 03420 4
Dimensions/Weight per Single Package	14" H x 15.75" W x 3.5" D / 7.8 lbs. 35.5 cm x 40 cm x 8.9 cm / 3.54 kg.
MSRP	\$499.00
Shipping Carton - UPC Code	 10715262034201 1 07 15262 03420 1
Dimensions/Weight per Shipping Carton	16.7" H x 14.8" W x 14.7" D / 45.5 lbs. 42.4 cm x 37.7 cm x 37.2 cm / 14.52 kg.
Quantities per Shipping Carton	4

Product Descriptions

VP3420 – GoSpeak! Pro Ultra-Portable Amplification System with Wireless Lapel Microphone System

30-Word Description

- Be heard easily by everyone in the room. Weighing less than 5 pounds, the GoSpeak! Pro Ultra-Portable PA with Wireless Lapel Microphone fills rooms of up to 200 people.

50-Word Description

- Be heard easily by everyone in the room. Weighing less than 5 pounds, the GoSpeak! Pro Ultra-Portable PA with Wireless Lapel Microphone carries in a tote bag and sets up in seconds: filling rooms of up to 200 people. GoSpeak! Pro is also available with wireless handheld microphone (VP3520).

100-Word Description

- Be heard easily by everyone in the room. Weighing less than 5 pounds, the GoSpeak! Pro Ultra-Portable PA with Wireless Lapel Microphone carries in a tote bag and sets up in seconds: filling rooms of up to 200 people.
- Planning a company meeting, hosting a crowded indoor event, or teaching in noisy classrooms? Be heard easily by all without raising your voice. The GoSpeak! Pro Ultra-Portable PA (Model VP3420), which includes the Audio-Technica Pro 88W Wireless Lavalier Microphone System, is also available as speaker only (Model VP3320), or with an integrated wireless handheld microphone (Model VP3520).

Benefits

- Sound amplification fills rooms of as many as 200 people
- Supports multiple inputs, channels and mixing for voice and music
- Provides output jack for daisy-chaining multiple GoSpeak! Pro' speakers
- Includes Audio-Technica Pro 88W wireless lavalier microphone system
- Sets up in seconds
- Weighs less than 5 pounds
- Carries in a laptop tote bag (supplied)
- GoSpeak! Pro is also available as a speaker only (Model VP3320), or with a wireless handheld microphone (Model VP3520).

Features

- Dual microphone inputs: combination XLR / 1/4" and 1/8" input jacks
- Separate volume controls for microphone and line-in inputs
- Audio-Technica Pro 88W Wireless Lavalier Microphone System
- Automatic sound limiting (ALC) avoids distortion due to over modulation
- Master volume mixing for multiple sound sources
- Line-in input for computer, CD player, iPod, or for output from another GoSpeak! Pro
- Line-out output for recording or daisy-chaining multiple GoSpeak! Pro speakers
- Uses standard power cord
