Product Announcement Information Sheet

Product Name	RemotePoint Sapphire Presenter with Green Laser
Model Number	VP4585
Part Number	RXX6000-5101F
UPC Code for Single Retail Package	 7 15262 04585 9 7
Dimensions/Weight per Single Retail Package	8.5 x 5.0 x 1.9 inch; 3.0 oz. (215 x 127 x 48 mm; 85 g)
UPC Code for Master Carton	1 07 15262 04585 6  1 07 15262 04585 6
Dimensions/Weight per Master Carton	10.5 x 6.5 x 8.4 inch; 2.9 lb. (265 x 165 x 212 mm; 1.3 kg)
Quantities per Master Carton	6 Units per Master Carton
Suggested Retail Price	US \$99.99
Availability	May 15, 2013

Product Descriptions

Short Description – 25 Words

- The new *RemotePoint Sapphire Presenter with Green Laser* combines executive styling, ease of use and uncompromising performance in an intuitive, ergonomically balanced presentation remote control.

Standard Description – 50 Words

- The new *RemotePoint Sapphire Presenter with Green Laser* combines executive styling, ease of use and uncompromising performance. Sporting a brilliant green laser pointer, which is 10 times brighter than a red laser pointer, this ergonomically balanced remote control enables flawless presentations – all from up to 75 feet (23 meters) away.

Long Description – 100 Words

- The new *RemotePoint Sapphire Presenter with Green Laser* combines executive styling, ease of use and uncompromising performance. Sporting a brilliant green laser pointer, which is 10 times brighter than a red laser pointer, this intuitive remote features presentation controls including *Next Page*, *Previous Page*, *Blank Screen* and presentation *Slideshow/Esc*.
- Additionally, the full-featured RemotePoint Sapphire delivers joystick 360° cursor navigation, right and left mouse click buttons, a document scrolling wheel, a power management control and a dock-able USB receiver.
- The ergonomically balanced RemotePoint enables flawless PowerPoint and Keynote presentations – all from up to 75 feet (23 meters) away.

Features & Benefits

Reliable 2.4GHz Long-range Wireless Freedom

- Provides up to 75-foot/23-meter of reliable presentation control
- Allows the presenter to work the audience away from the host computer
- Multiple RF channels eliminate potential interference

Built-in Mouse Function for Total Control

- A high-precision joystick offers ease of cursor control
- Mouse left- and right-click buttons supports complete mouse functions
- User can easily click and open embedded files, video clips, in the presentation without leaving the slideshow
- Most suitable for complex presentations and/or classroom applications

Brilliant Green Laser Pointer Brings Focus

- The integrated bright green laser pointer adds a powerful touch for a professional presentation and helps capture the audience's attention
- Green laser is up to 10x the brightness of the traditional red laser pointer and is suitable for big conference room and medical presentations

Full-featured User-friendly Presentation Controls

- Four intuitive presentation control buttons for ease of use:
 - SlideShow/Esc button takes you in and out of a presentation
 - Blank Screen/Resume button helps to bring focus to the person who's giving the presentation
 - Previous Page and Next Page buttons provide easy flow of a presentation
- The unique scroll wheel allows effortless maneuver on long documents such as spreadsheet and webpage; also doubles as quick page scroller

Compact and Smart Design for Great Portability

- Presenter is designed with transportability in mind whether for long business trips or just moving between the office and conference room
- An integrated dongle storage is provided to stow away the receiver when not in use
- An on/off switch is built-in to save battery power when presenter is not in use and to avoid accidental trigger of laser beam when traveling
- Convenient zippered carrying case included

True Plug-and-Play Compatibility for Windows and Mac OS

- Radio frequency is factory preset to eliminate the need for pairing
- True plug-and-play with no need to install software
- Supports Windows PowerPoint and Mac Keynote presentation software (note: SlideShow function not supported by Mac)
