Product Announcement Information Sheet

Product Name	VersaPoint Rechargeable Wireless Media Suite
Model Number	VP6321
Part Number	RXX6000-5502F
UPC Code	 7 1526206321 1 7 1 5 2 6 2 1 0 6 3 2 1 1
Dimensions/Weight per Single Package	21.7 x 7.2 x 2.1 inch; 2.34 lb (552 x 182 x 52 mm; 1.06 kg)
Dimensions/Weight per Shipping Carton	24.7 x 22.4 x 8.1 inch; 28.33 lb (628 x 568 x 204 mm; 12.85 kg)
Quantities per Shipping Carton	10 units
Suggested Retail Price	US\$169.99
Availability	November 19, 2012

PRODUCT DESCRIPTIONS

Short Description – 25 Words

- The VersaPoint Rechargeable Wireless Media Suite, with its 100-foot wireless range, pairs a rechargeable media keyboard with desktop mouse. Both share a common USB receiver.

Standard Description – 50 Words

- The VersaPoint Rechargeable Wireless Media Suite pairs a rechargeable media keyboard (with integrated trackball, mouse buttons and 12 media hot keys) with a rechargeable desktop mouse. With its 100-foot wireless range, the Media Suite is ideal for office desktops, home entertainment centers, meeting rooms and public speaking venues.

Long Description – 100 Words

The VersaPoint Rechargeable Wireless Media Suite pairs a rechargeable media keyboard with a rechargeable desktop mouse. With its 100-foot wireless range, the Media Suite is ideal for office desktops, home entertainment centers, meeting rooms and public speaking venues.

The wireless Media Keyboard, with its integrated trackball, mouse buttons and 12 media hot keys, is ideal for control of computer-driven video, audio and Internet streaming media; while the paired desktop mouse, with its laser tracking technology, provides mouse control on almost any surface. Both devices share a common USB receiver dongle.

FEATURES AND BENEFITS

Reliable 2.4GHz Long Range Radio Frequency

- Provides up to 100-foot/30-meter of reliable data transmission range
- Patented reliable auto-pairing technology enables secured and accurate RF connection
- Multiple RF channels with auto-scan and channel switching eliminate potential interference
- Ideal for lecture halls, classrooms, conference rooms or home theater settings that require reliable, long range wireless data transmission

Rechargeable with Power Management Features

- Earth-friendly design eliminates the need to replace disposable batteries
- Both keyboard and mouse conveniently recharge via included USB charging cable while in use
- Never lose productivity due to power-out or dead batteries
- Designed with auto sleep mode helps conserve battery power
- Built-in LED power-low indicator to signal when to recharge
- Ideal for institutions and individuals that are conscious about saving operating costs and reducing hazardous waste to the environment

Slim Keyboard with Integrated Cursor Control Features

- Slim key construction features reduced key travel distance and minimizes finger fatigue
- Built-in 12 preprogrammed media hot keys enhance productivity
- Integrated optical trackball, mouse buttons offer full-function mouse controls all on the keyboard
- Keyboard can be used along without a separate mouse

Matching Laser Mouse for Complete Desktop Operation

- For the convenience of a traditional desktop operation, a matching high-resolution laser mouse is included in the suite
- The latest laser tracking technology allows the mouse to work on most surfaces, including, but not limited to, reflective or coarse surface, fabric (sofa), cloth (lap), tile (counter) and more.

True Plug-and-Play for Ease of Use

- The 2.4 GHz radio frequency is preset to eliminate the need for pairing
- All functions are built-in therefore no need to install software driver
- True plug-and-play means the device can work instantly upon connecting to the computer without having to perform tedious setup

Unique Expandable Input System

- Optional professional-grade PowerPoint presentation remote control with green laser pointer sharing the same receiver dongle is available and sold separately. (SMK-Link Model No. VP4910, RemotePoint Jade)
- One receiver dongle supports keyboard, mouse and presenter thus only one USB port required
- Great expandability for professional users engaged in public speaking and presentation
